

We give the Lord's disciples the opportunity to go on the spiritual adventure of a lifetime!

*To do something
spiritually big for
themselves!*

We give the Lord's disciples the opportunity to make an eternal difference in the lives of hundreds of people!

*To do something
spiritually big for
others!*

Most importantly, we give the Lord's disciples the opportunity to bring great glory and honor upon Him who sacrificed all for us!

*To do something
spiritually big for
Jesus!*

For opportunities to **go** on one of these life-changing EPPIC Journeys, please visit www.eppicmissions.org/eppic-journeys.html.

For ways to **give** to the ministry, please visit www.eppicmissions.org/give.html.

For how to **pray** for the ministry, please visit www.eppicmissions.org/pray.html.

While planting 2 new churches, each US Missionary will have, on average, the privilege of:

- * Witnessing to 1,480 people.
- * Leading 1,181 to faith in Christ.
- * Discipling 411 new believers.
- * Distributing 335 NTs.

A Message from Our President

In September 2010, I got on a plane headed to Kigoma, Tanzania, and the spiritual adventure of a lifetime. Never before had I seen so many people who were so open to the gospel. In just one week, God used our team to lead over 2,600 people to saving faith in the Lord Jesus Christ. I am so thankful that God took away all of my excuses for not going.

While in Kigoma, I had something else extremely profound happen to me. In the midst of this mighty movement of God, He brought me under a deep conviction of our responsibility to make disciples and not just converts. He put a heavy burden on my heart not only to plant new churches “to the end of the earth” (Acts 1:8, NKJV), but also to ensure that each of those churches has a pastor who has been equipped with the knowledge and tools needed to effectively disciple new believers. Under the Lord’s direction, that burden was the genesis of EPPIC Ministries International and the reason why I stepped down from the pastorate so that I could devote my full energy to turning that burden into a reality.

If you would like to see your spiritual life raised to a whole new level, join us on an EPPIC Journey for Christ. Not only will your life be changed forever, but you will have an eternal impact on the lives of hundreds of people who otherwise may never hear the gospel and will spend eternity separated from God.

In His Name and for His Glory,

Mike Nelson

Our Vision: To see a spiritually healthy New Testament church in every village around the world.

Our Mission: To glorify Christ by equipping local national pastors and mobilizing short-term mission teams to assist them in planting new indigenous churches.

***What God has
accomplished in
just twelve years!
(2014-2026)***

366 Churches Planted

683 Pastors Trained

268 Pastors’ Wives Trained

278,764 People Evangelized

208,993 Professions of Faith

62,414 People Discipled

82,104 NTs Distributed

12,316 Children Clothed

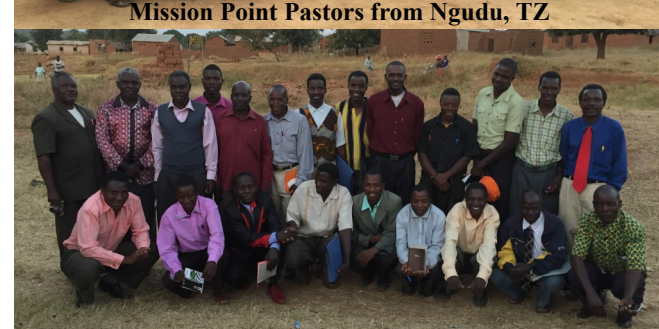

***64 Second Generation
Churches Started***

Short-Term Missions — Long-Term Results

Mission Point Pastors from Mererani and Monduli, TZ

Each Mission Point Pastor receives 185 hours of biblical, theological, and leadership training prior to being partnered with and assisted by one of our short-term mission teams. They also agree to report the status of their church plants for two years. These reports are sent out each month to the mission team members who helped to plant the churches.
